Dear Sir/ Madam

Letter of Invitation: The 2025 Round Square International Conference in Dubai

This letter is to confirm that the person named below has been invited to participate in the Round Square International Conference in Dubai, from 19th to 25th September 2025. Some delegates will participate in pre and/or post tours outside of these dates, and so may require a visa for a slightly extended period either before or after the conference.

Round Square (www.roundsquare.org) is an internationally diverse network of more than 250 like-minded schools in 50 countries on six continents that connect and collaborate to offer world-class programmes and experiences, developing global competence, character and confidence in our students around six themes: Internationalism, Democracy, Environmentalism, Adventure, Leadership and Service. Students and teachers in Round Square schools take part in conferences that bring them together with peers from different countries to share perspectives, debate topical issues, forge friendships, support local communities, and develop international understanding.

The Round Square International Conference is an annual event for students aged 16-18 and their teachers. It moves around the world with different schools hosting each time. Student delegate groups, accompanied by teachers attend from countries in Africa, the Americas, Australasia, South and East Asia, the Gulf, and Europe. In 2025 it will be hosted in Dubai. Delegates will arrive on 19th September 2025 and will be accommodated in Festival City hotels.
